To participate, contact: ed@staron54th.ca

4 ways to get involved:

1. Donate a Decorated Tree – That you decorate at STAR November 18th or 19th - your choice. Please note that all trees and decorations must be brand new, with a total value of \$600 or more.
2. \$600: Tree Sponsorship – If you'd like us to handle everything, a \$600 donation will cover the purchase of a brand new tree and decorations, and we'll set it up for you. Please e-transfer admin@staron54th.ca and put the name you'd like us to honor in the memo portion (example: The John Doe Family)
3. \$200: 1/3 Tree Sponsorship – For a donation of \$200, you can join with two other donors to sponsor one tree together (we will put 3 donors together, you don't need to find the other two). Once we receive 3, we'll purchase the tree and decorations and decorate it on your behalf. All three donors will be recognized together as the sponsor of the tree.
4. Donate a door prize (something Christmas related or that someone could give as a gift)

All donors who will decorate their own trees will be invited to the STAR's Tree Decorating Parties (can come to one or both nights) on the 18th or 19th of November. Each sponsor will receive further communications on this closer to the decorating party.

If you wish to donate a tree (or a monetary donation for a purchase of a tree) please do so before November 3rd.

✨ All donated and sponsored trees will be showcased at STAR on 54th from November 20th (The Chamber's "Winter Festival" Night) – 22nd for the community to enjoy during holiday activities.

From November 20th - 22nd, beautifully decorated Christmas trees (each valued at \$600 or more) will be on display at STAR on 54th.

📖 Here's how the raffle works:

- Tickets are just \$5 each.
- Each tree will have its own raffle box.
- Put your ticket(s) in the box of the tree you'd love to win.
- At the end of the event, we'll draw a winner from each box.

That means any \$5 ticket could win you a stunning, fully decorated Christmas tree — just in time for the holidays!
